Mission of Love

July 2, 2022

Dear friends of LHC Mission of Love,

May the peace of Christ Crucified be with you!

While looking back at the year that has passed and considering all the work we have done together in this Mission, I thank God for all His blessings. I am thankful too for the generous people like you who constantly support our Mission. We are excited to share with you our yearly financial report and list of completed projects. It is a joy to see the difference the Mission has made in the lives of our brothers and sisters in need. Because of your support, we are able to provide the following projects:

### **Completed projects:**

- Filtration water systems: built 11 filtration water systems in Son La, Dien Bien, Hung Hoa, Kon Tum, Gia Lai, Pleiku and Ha Noi.
- Home, roofs, school: repaired 32 homes and roofs; built 7 homes, 10 floors, 1 school, 2 churches, and 2 bridges, 30 restrooms ...
- Scholarships: provided scholarships for 280 students; bought 10 bicycles for poor students.
- Childcare: provided two childcare facilities for 65 children.
- Bakery oven: provided a bakery oven for baking bread to sell to earn money and to create jobs for villagers.
- Plowing machine: provided a plowing machine for villagers to cultivate their land.
- Plants: provided plants for farming for 35 families.
- Emergency food: provided food for 3590 poor people during COVID in Saigon, Ho Nai, Ha Noi...
- Warm clothes and blankets: for 1500 families in Nghia Lo, Ha Giang, Son La
- Lunch on every Sunday: for 670 poor children and 150 elderly in Giang la Pan, Yen Bai.

There are many more projects that we cannot list it all. Please visit our website: [lhcmisionoflove.org](http://lhcmisionoflove.org) for more information and pictures.

We are happy to know that thousands of villagers have clean water to drink; parents feel safe to leave their little children at childcare to go to work knowing that they will be fed and cared for; the youth are able to continue their education; and there are many more projects that we have done by the grace of God and the generosity of people like you. Besides doing Mission Appeal once a year in couples dioceses and the matching funds, we have no other resources except your donations. You are our main supporters. We are forever grateful.

As we move toward the year ahead, we are very hopeful for we know that with God's help and with your constant support, we will continue our Mission with joy and share our blessings with those in need. Thank you again. May God bless and protect you and your family. You are in our daily prayers.

In Christ Crucified,

Sr. Josefa Ha, LHC  
Director of Mission of Love
