As we look to the future, we aim to expand our educational programs for catechists, youth ministry, and summer camps.

In the past few weeks, Vietnam has been hit by a series of powerful storms, leading to severe flooding and landslides in various regions. These natural disasters have resulted in the loss of lives, displacement of families, and extensive damage to homes, infrastructure, livestock and agricultural lands. We have mobilized our resources to provide immediate relief and support to those affected. Our efforts include food and clean water.

Your contributions have been instrumental in helping us achieve our Mission and make a difference in the lives of many. We deeply appreciate your generosity and compassion in these challenging times. Together, we can make a meaningful impact and provide hope to the poor, especially, those affected by the storms in Vietnam.

Thank you for being a vital part of LHC Mission of Love's journey. You are in our daily prayers.  
Happy Thanksgiving to you and your family.

Warm regards,

Sr. Josefa Ha, LHC
